FREE ONLINE COURSES

Tech Ready Louisiana

LWC has partnered with Coursera to offer residents of Louisiana access to more than 9,000 **free** courses to help them develop new skills and increase job readiness. All courses are fully online and self-paced to work around busy schedules. Learners can earn certificates in three to six months in the professional certificate programs offered.

To register, residents have to be 18 or older and have a HiRE account. Once an account is created, participants can register for Tech Ready on the Louisiana Workforce Commission's homepage, **https://www.laworks.net/**

American Job Centers and affiliate sites are opened to those who do not have access to a stable or reliable internet connection.
