

Career Waves 2

Share CTE Resources and Events with Students!

We encourage you to contribute to the Career Waves 2 platform by posting expert advice, industry opinions, events, or other related content for CTE students at careerwaves2portal.com.

Provide Recommendations: Offer your industry expertise and leverage your knowledge by sharing a blog, event, or community resource to help advise students on their journey to work.

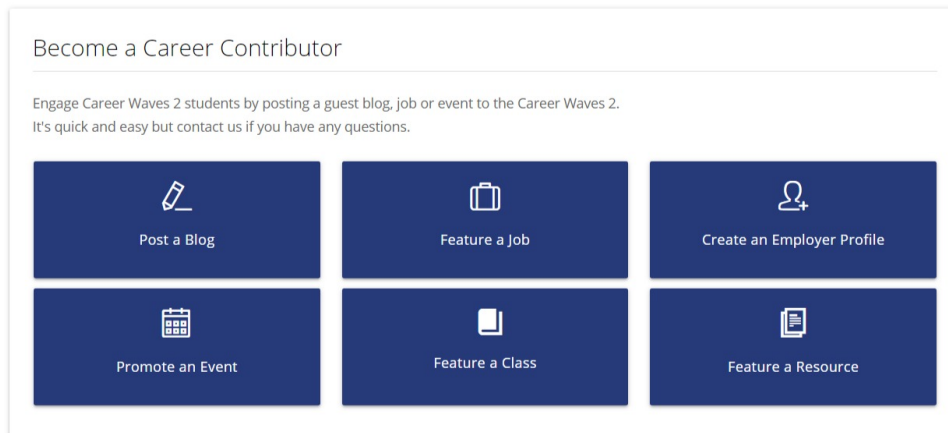

Helpful Resources: Know of a useful career resource or industry trend? We'd love to spotlight your findings and let students know what interested you and why it was helpful for them.

Job Referral: Are you hiring or know of a great job posting? Submit the job posting today!

Gain Engagement: Promote your upcoming event on the platform. We can promote events that are open to all students or events that are directed at specific populations.
